FOR IMMEDIATE RELEASE

GET NOTICED WITH THE NEW LASERLYTE PISTOL BAYONET

Cottonwood, Ariz. – LaserLyte® in association with Ka-Bar® Knives is excited to introduce the Pistol Bayonet. Be the first to own a pistol bayonet that looks as good as it works.

This razor-sharp, 2.75 inch Ka-Bar blade fits on any medium to large pistol with rail and slides on and off easily with the press of two buttons. Its carbon steel blade is sharpened to a fine edge and finished with a black Teflon® coating for protection. Featuring a full tang design, the blade also comes with a custom polymer sheath. The blade handle is constructed from 30 percent glass-filled nylon for extra strength and durability. A LaserLyte original, this Pistol Bayonet is ready for any situation – or just looking cool on your favorite gun. MSRP \$39.95.
