FOR IMMEDIATE RELEASE

## LASERLYTE PROUDLY INTRODUCES A FLASHLIGHT FOR THE REST OF US

Cottonwood, Ariz. – LaserLyte® introduces the FlashLyte - a practical railed flashlight that won't break the bank. A first from LaserLyte, this weapons-mountable flashlight allows the user to keep both hands on the weapon and is simple and easy to use. The new FlashLyte system produces 25 lumens – enough power to see a target in a room or garage.

The FlashLyte fits all subcompact pistols with rails and features an ambidextrous switch for easy activation. When mounted onto the pistol it will still fit into most nylon holsters and features three super-bright LED powered by four A76 batteries that provide more than one hour of run time. This is the simple, easy and effective solution for home protection needs. MSRP \$79.95.
